

## **Public Housing Lease Change and Rule Change**

The Somerville Housing Authority (SHA) Board of Commissioners has voted on a Smoke-Free Policy effective September 1, 2016.

Multi-Language policies and a lease addendum have been mailed to each public housing tenant. Tenants are asked to return the signed lease addendum to their building manager by August 1, 2016.

For any questions tenants are asked to contact the Somerville Housing Authority at 617-625-1152 to speak with their building manger.

If a tenant hopes to quit or reduce smoking they can reach out to SHA resident services coordinators for resources and/or [click here](#)
